

Manila folder assembly:

1. Fold 5 pieces of paper using paper folding directions.
2. Evenly space the 5 folded pieces of paper on top half of folder and one below fold line of folder and staple them to folder.
3. Label one folded piece of paper root crops, seed crops, leaf crops, stem crops, veg/fruit crops (see pictures below)
4. Staple letter sized envelope to bottom half of folder
5. Cut out pictures of vegetables (you need 1 copy per folder) and store them in envelope stapled to bottom half of the folder.
